

Remediation Workshop

Brownfields Remediation, Community Involvement and the LSRP Process

Wednesday, October 22, 2014

8:00 am to 12:30 pm

The Forum, E.J. Bloustein School of Planning and Public Policy
Rutgers, The State University of New Jersey, 33 Livingston Avenue, New Brunswick

Welcome to the Sustainable Raritan River Initiative's Workshop on Brownfields Remediation, Community Involvement and the LSRP Process. This program addresses the Sustainable Raritan River Collaborative's commitment to remediation, rehabilitation and reuse of abandoned and underutilized properties as outlined in its [2009 Action Plan](#) and further described in the [2009 Hazardous Sites and Sediment Cleanup Report](#). For more information about the Sustainable Raritan River Initiative, the Sustainable Raritan River Collaborative and to view these reports, visit our Website at www.raritan.rutgers.edu.
